Office Memorandum

Based on a recent media reports on the treatment cost of a deceased patient diagnosed for dengue at Fortis Memorial Research Institute, Gurgaon, NPPA had directed the concerned hospital to submit the requisite information for investigating the overcharging complaint. The information was submitted by the hospital within the prescribed time limit. NPPA has meanwhile received an application under Right to Information Act for providing details of the information provided by the concerned hospital.

2. In conformity with this Government's commitment to absolute transparency and accountability in governance and honouring the people's right to information, all the details are being placed in public domain through the NPPA's website.

3. Information received from the hospital has been analysed and classified into following categories:

A. Scheduled Formulations, based on National List of Essential Medicines, 2015 (Schedule I of DPCO, 2013) and under price control.

B. Non Scheduled Formulations, (Not under price control and out of Schedule 1 of DPCO, 2013)

C. Consumables, neither under price control and nor under Schedule 1 of DPCO, 2013)

4. NPPA shall be taking necessary follow up action as per existing law and within its jurisdiction.
