Registration of manufacturers under the Integrated Pharmaceutical Database Management System (IPDMS) for online filing of returns in Form II, Form III and Form V under DPCO, 2013

While the registration process under IPDMS is on, certain requests have been received from the Pharma Industry seeking extension of time beyond the stipulated date of 30.11.2014. After due consideration, it has been decided to extend the date of registration by a period of one month i.e. upto 31.12.2014. Accordingly, all the manufacturers are requested to register themselves with IPDMS for online filing of returns in Form II, Form III and Form V under DPCO 2013 as per the initial notice placed on NPPA's website on 18.09.2014. It may be clearly noted that this is the last extension for the registration and from 1.1.2015 onwards, this facility would no longer be available. As it would facilitate smooth and effective implementation of the various provisions of DPCO 2013, all the manufacturers are required to ensure compliance of the same.
