Sir,

As you are aware Para 20(1) of the DPCO, 2013 provides for monitoring the prices of non scheduled formulations and specifies that no manufacturer/importer/distributor is allowed to increase the MRP of a non-scheduled formulation more than 10 percent of MRP during preceding twelve months and where the increase is beyond ten percent, it shall reduce the same to the level of ten percent of maximum retail price for next twelve months. The manufacturers/importer/distributor shall be liable to deposit the overcharged amount along with interest thereon, from the date of increase in price addition to the penalty under Paragraph 20(2) of the DPCO, 2013.

Further, Para 25 of DPCO, 2013 provides that every manufacturer/ importer shall issue a pricelist and supplementary price list in Form V to the dealer, State Drugs Controller and the Government from time to time. As provided in Para 26 of the said Order, no person is authorized to sell any formulation including medical devices regulated as Drugs to any consumer at a price exceeding the price specified in the current price list or price indicated on the label of the container or pack thereof, whichever is less.
