### Registration of manufacturers under the Integrated Pharmaceutical Database Management System (IPDMS) for online filing of returns in Form-II, III and V under DPCO, 2013

While the registration process under IPDMS is on, all the major Pharma Industry Associations have sought extension of time beyond the stipulated date of 30.10.2014. After due consideration, it has been decided to extend the date of registration for one month i.e. upto 30.11.2014. Accordingly, all the manufacturers are requested to register themselves with IPDMS for online filing of returns in Form II, Form III and Form V under DPCO 2013 as per the initial notice placed on NPPA's website on 18.09.2014. As it would facilitate smooth and effective implementation of the various provisions of DPCO, 2013, all the manufacturers are required to ensure compliance of the same.
