Subject: Price fixation of new drug as per the provisions of para 5 of DPCO, 2013.

Sir,
NPPA has constituted a standing committee of experts under para 15 of DPCO, 2013 on 12th July, 2013 to recommend the retail prices of new drugs on the principles of "Pharmacoeconomics".

The first meeting of the committee was held on 12.09.2013. The committee noted that Pharmacoeconomics is a very wide term and it may not be possible to examine all the details as per definition of Pharmacoeconomics with limited resources / infrastructure in the country.

In view of above constraints felt by the Expert Committee, you are requested to identify the organisation under Govt. (centre/state) or Autonomous organization who have worked / experience exposure in Pharmacoeconomics so that they can be approached by NPPA. An early response is requested.

Yours faithfully,

(A.K. Gautam)
