3. Reg: F.No 20(1)/2014/Div-III/NPPA/Vol II Notice dated 21.12.2015

Whereas the National Pharmaceutical Pricing Authority has issued notices dated 16.11.2015, 21.12.2015 and 18.1.2016 to all pharmaceutical manufacturing/marketing companies in captioned matter to register themselves in IPDMS and file all the forms as required under the Drugs Price Control Order, 2013 on or before 15th December 2015 and 15th January 2016 respectively. The companies were also directed to file the latest online Form V for all the formulations manufactured/ marketed by them, irrespective of whether they have submitted the same in hard copy or not.

At a review meeting held with the representatives of the pharmaceutical associations it was presented that the industry sought more time for online submission of information forms mandated under DPCO 2013 through IPDMS.

Keeping in view the above request of industry associations, the last date to file the forms as required by the above mentioned notice is further extended to 31st March 2016. **No further extension shall be done under any circumstances.**

It is reiterated that failure to submit mandatory data/mandatory returns prescribed under the Drugs (Price Control) Order, 2013 through the IPDMS will attract penal action under the provisions of DPCO, 2013 read with EC Act, 1955. NPPA may be constrained to initiate prosecution proceedings under the provisions of Essential Commodities Act, 1955, against companies which fail to submit requisite and mandatory forms under the DPCO, 2013, through IPDMS.
