1. Agenda Item no. 1:

1.0 Members of the Authority who participated in the 145th and 13th Meeting under DPCO, 2013 confirmed the minutes of the meeting.

2. Agenda Item no. 2: Action Taken Report:

2.0 Noted.

3. Agenda Item no. 3:

3.0 The Authority noted the status of common cases as in the DPCO 2013 as well as in the DPCO 1995. The Authority discussed that out of approx. 90 cases, the data has been received from IMS Health for price fixation in respect of 75 cases and the same has been also processed by NPPA till date. The Authority directed to expedite the data in remaining cases from IMS Health.

3.1 The Authority discussed the provisions of para 10 and 16 of DPCO, 2013 regarding the fixation/revision of prices of scheduled medicines. It was informed that the para 10 deals with the pricing of the formulations covered under DPCO 1995 as well as included in the DPCO 2013. The para 16 deals with the revision of the ceiling prices of scheduled formulations under DPCO 2013 without any reference to their inclusion in DPCO 1995.

3.2 In case of Carbamezapine Tablet 200 mg, it was informed to the Authority that NPPA fixed a separate (company specific) price at Rs. 16.46/10's tablet A/St vide S.O.796(E) dated 10.04.2012 in case of M/s Encore / M/s Novartis. The ceiling price for others was fixed at Rs. 12.00/10's tablet, St/Bl vide S.O. 771(E) dated 10.04.2012. In view of this clarification, the Authority approved the prices in all 12 cases as per Annexure- I.

3.3 The Authority also discussed the 13 cases (as worked out) based on monopoly conditions. The Authority noted that in many formulations, more than one manufacturer may exist and therefore, directed that IMS Health may be requested to again re-confirm

the data in such "13 monopoly cases". The Authority also directed to check the data of the IMS Health available with the M&E Division for the month of September, 2013 as provided by the IMS Health on monthly basis in connection to regulate the prices of medicines. The Authority, therefore, deferred the cases and directed that the same may be put up after re-examination of the data.

4. Agenda Item no. 4:

4.0 The Authority noted that in case of 404 medicines (excluding common cases in DPCO 2013 as well as in DPCO 1995) notified by NPPA, the IMS Health data of May 2012 was considered. Therefore, as per provisions of Para 16 of DPCO 2013, these ceiling prices should be revised as per the annual Wholesale Price Index (WPI) for preceding calendar year. The annual increase in WPI works out at 6.32% during the calendar year 2013 over the corresponding period in 2012. The Authority approved the price revision in respect of 404 cases as per Annexure- II.

5. Agenda Item no. 5:

5.0 The Authority noted the status of price fixation cases of new drug (Form I) under para 5 of DPCO 2013.

5.2 In case of agenda item no. 5(i), it was informed to the Authority that price worked out to be Rs. 8.62/tablet which is higher than the price notified at Rs 8.46/tablet vide S.O, 936(E) and 937(E) dated. 27.03.2014. The Authority decided that in case of Form I applications, price fixed by NPPA shall be valid for one year for the formulation having same composition & strength and no increase in price will be allowed. However, in case the current price worked out/claimed by the company to be lower than the existing notified price, the benefit of lower price has to be passed on to the consumers.

6. Agenda Item no. 6:

6.0 The Authority discussed the agenda relating to Monitoring of movement of prices of non-scheduled formulation under DPCO 1995 in detail and deferred the agenda with the directions to the M&E Division to bring out a comprehensive agenda note to deal with such cases under DPCO, 1995 as well as DPCO, 2013, in next Authority meeting.
